

Sea Spa

MASSAGES

RELAXATION

Attain an enhanced sense of wellbeing with this light to medium pressure massage providing flowing gentle movements and relaxation techniques.

DEEP BLUE

Intensive and invigorating treatment focusing on the deeper layers of tissue and muscle. It assists in the elimination of toxins. Recommended for highly active or stressed individuals. Support your energy movement and spinal alignment with techniques that gently cradle the neck and sacral area for relief of full-body tension.

SURF RECOVERY

Support physical activity before and after through stretching, acupressure and warm towel compresses.

STONES OF THE SEA

Stone therapy is a powerful massage technique that involves warm stones to enhance circulation, and relieve stress and tension from the body.

COUPLES TIME

Delight in the individual experience together. Warm coconut oil is utilized as a distinctive touch during your massage.

NECK, SHOULDER AND BACK

This treatment targets specific areas that are affected by sitting in one position for an extended period of time.

REFLEXOLOGY

Applied gentle pressure to acupressure points on the hands, feet, scalp and promotes energy movement and renewal.

SEA TUB EXPERIENCE (Recommended after any massage)

This fusion of seaweed, basil, lavender and chamomile essence, completely relaxes the senses. The warm bath melts away tension, dissolves stress and relieves muscle tightness.

SKINCARE

SEA SIGNATURE FACIAL

Fall in love with your skin again as this soothing and hydrating facial brings your natural beauty to full bloom. Relax with calming and tranquil aromatherapy and let our signature skincare's rich antioxidant blend of botanicals revive your skin's lustrous glow.

VITAMIN SEA FACIAL

Is a luscious Vitamin C based facial with antioxidant properties to combat free radicals that cause skin damage as well as premature signs of aging, dehydration and sun damage.

It stimulates collagen production that helps renew the firmness and elasticity that is lost with age.

DEEP CLEANSING FACIAL

This purifying treatment consists of a smooth process of steaming, exfoliation, and deep cleaning of clogged pores. The skin is gently massaged, and then an ideal mask is applied to keep your skin nourished and hydrated. Beneficial for all skin types.

FOUR LAYER FACIAL

Repêchage Premier anti-aging facial treatment experience is a layer by layer of pure and fresh European seaweed that rejuvenates, tones and tightens the skin, resulting in moisture, clarity, brightness and youthful appearance of the skin.

FOR HIM FACIAL

This specialized facial is to protect and maintain the youthfulness of men's skin. From the cleansing to the anti-aging treatment this light and revitalizing procedure will provide a quick and long-lasting results.

QUICK FIX FACIAL/MINI FACIAL

Re-energize with healing touch customized to your needs.

BODY TREATMENTS

SUGAR SCRUB

Our original conditioning body scrub-derived from natural sugars makes your skin moisturized and full of radiance. The treatment includes a light exfoliation and an application of our enriching hydration cream. An excellent treatment for sensitive or irritated skin.

SALT SCRUB

The secret is the sea salt! This invigorating, detoxifying skin exfoliation treatment will revive your senses and leave your skin feeling smooth and soft for days. This treatment includes a deep exfoliation and a finishing touch with an enriching green tea moisturizer.

DETOXIFYNG MUD WRAP

A light exfoliation is followed by an application of detoxifying mud treatment. Relax and get gently wrapped up in this soothing body treatment. After a rinse this replenishing session is concluded with an application of an enriched hydrating elements.
